If you do not have a current membership for the pool (punch pass, monthly or annual membership), you will need to purchase one before continuing to book a reservation.

Next, Click on Schedule to go to the Facility Booking page:

Select Pool Rental

You may view times available by entering dates and time preferences:

The image shows a search form for facility booking. It includes a "Search Facilities" input field with a magnifying glass icon. Below this are filters for "Date within" (9/1/2020 to 9/1/2020), "Time within" (6:00 AM to 8:00 AM), and "Length" (0 hrs and 0 mins). There are also checkboxes for days of the week: Sun, Mon, Tue (checked), Wed, Thu (checked), Fri, and Sat (checked). At the bottom, there is a "Check Availability" button and a "Reset" link.

Enter the number of people attending (maximum of two people/family group per lane).

The image shows a form field labeled "2 Number of people to attend". The input field contains the number "1" and has a small dropdown arrow on the right side.

Select the time and date, then click Reserve. You will only be allowed to select one time slot reservation at a time. For each additional reservation (for a maximum of 3 per week), you will have to complete the process again. Reservations must be made at least 24 hours in advance.
