

CITY OF CORONADO
NOTICE INVITING BIDS
Storm Drain Inlet Improvements
18-CO-ES-649

The City of Coronado invites sealed bids for the Storm Drain Inlet Improvements project. This project generally consists of storm drain improvements including removal and replacement of curb inlets and catch basins; installation of reinforced concrete pipe storm drain; removal and replacement of curb ramps with ADA compliant ramps; removal and replacement of concrete curb and gutter, cross gutters, sidewalks, and alley aprons; asphalt concrete patching; and striping.

Receipt of Bids: All bid proposals must be received by the City Clerk at City Hall, 1825 Strand Way, Coronado, California 92118 PRIOR TO 2:00 p.m. on February 14, 2018.

Engineering Estimate: \$275,212.

Pre-Bid Conference: A non-mandatory pre-bid conference will be conducted on January 31, 2018, at 10:00 a.m. at City Hall, 1825 Strand Way, Coronado, California.

Bid Security: Bid Security in the amount of ten percent (10%) of the Lump Sum Base Bid shall accompany the Bid.

Contractor's License: The successful bidder will be required to possess a current State of California "Class A" Contractor's License (or other appropriate) at the time the contract is awarded. Contractors and subcontractors must also be registered with the State of California Department of Industrial Relations per Labor Code Section 1771.1(a).

Prevailing Wage: In accordance with the California Labor Code, the Contractor must pay not less than prevailing wage rates as determined by the Director of Industrial Relations for all work done under this contract.

Bid Documents: Copies of the plans, specifications, instructions to bidders, and bidder's proposal forms are available at the Public Services & Engineering Department, 1825 Strand Way, Coronado, California 92118. The cost (non-refundable) is \$20 per set, not including postage. Contractors may also request an electronic version of the documents at no cost by contacting the Engineering Department: Tel: (619) 522-7383; email: engineering@coronado.ca.us.

By: Ed Walton, City Engineer
